

# OUR PIPES DON'T LIKE WIPES

## BINGARA, WE REALLY NEED YOUR HELP

**THERE IS SIMPLY NO SUCH THING AS A FLUSHABLE WIPE**

Flushing ANY wipes down the toilet is bad for our system - even if the instructions on the packaging say they are biodegradable or flushable. Please do not flush wipes as it causes failure and impacts residents.

If you would like to contact us, please call us on 1300 110 238, select option 1 if you are experiencing any technical faults or emergencies, option 2 for billing or option 3 for general enquiries.
